The Audubon Society Guide to Attracting Birds Creating Natural Habitats for Properties Large and Small

By Stephen W. Kress

Comstock Publishing Associates. Paperback. Book Condition: New. Paperback. 480 pages. Dimensions: 8.9in. x 6.9in. x 1.2in. Improving the quality of land for wildlife is the single most constructive step that anyone can take to assist wild bird populations. Happily, it is well within almost everyones capability to improve bird habitats by providing important food and cover plants. Through this book, I will assist caring landowners and managers of properties ranging in size from urban balconies and suburban backyards to larger properties such as country estates, schoolyards, cemeteries, corporate parks, airports, golf courses, wildlife refuges, and parklands of all sizes. Managers of agricultural land, greenways, and vacant lots alike will find inspiration and techniques within these pages that will help them carry out the urgent and satisfying work of improving land for wild birds. from the Introduction In the second edition of a book treasured by landscapers, birders, gardeners, and naturalists, Stephen W. Kress provides a practical, comprehensive, and thoroughly illustrated guide to attracting birds to any property, be it a small patch of land in the city or a showplace countryside garden, a median strip or an expansive woodlot, a commercial building or a community park. In Kresss view, the best way...
