## TRANCE STATE

DOWNLOAD

Cornerstone. Paperback. Book Condition: new. BRAND NEW, Trance State, John Case, A promising young research fellow for a venerable think tank in Zurich has just filed his last report, as he is forced into a ghastly experiment. A seductive young woman travels to Florida and from her hotel room coolly sharpshoots a dying old man in a wheelchair. A psychologist who helps patients confront and dispel past trauma through hypnosis battles his own silent but emergent demons. In Trance State John Case combines these elements into a pulse-pounding, mind-twisting new thriller. Just what is the connection between the research fellow, the young assassin and the psychologist? After the young woman kills herself, why should her sister trust anyone who might have been involved with her? When unknown assassins burst into the psychologist's office, who is their target - him or the young woman's sister? Where is the deadly trail into the CIA's mind-control experiments leading them? Could this be another trap? Or could they be about to unearth a great and secret conspiracy at the heart of the Intelligence communities around the world and the deadly, dangerous people they employ?.
