I HAVE been unable to discover, as I did in the materials of my first two volumes, such full and distinct evidence as enabled me, by the proof of figures, to indicate the profits of agriculture before and after the Great Death of 1348 K That economical revolution was fortunately recorded in the struggles of those who were unwilling to accept the events to which, within a few years, they were forced to succumb, and in the unavailing efforts of Parliament to arrest the disasters of suddenly exalted wages in the face of deficient crops and declining profits. But the facts of the situation once fairly understood, it is possible, even in the absence of decisive evidence as to the numerical value of the details of what constituted the costs of production, and of what was the price of produce on any particular estate,...
