

Three Contributions to the Theory of Sex

By Sigmund Freud

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Sigmund Freud is known around the world as the Father of Psychoanalysis, and for good reason. If anything, Freud s first patient was himself. A sufferer of psychosomatic symptoms, Freud diagnosed himself as having a repressed antagonism against his father. From there, Freud began to build on his now famous concepts of the unconscious, infantile sexuality and repression. And of course, there s his famous theory on the structure of the mind, which has made Id and Ego a commonly used part of the English lexicon. In addition to all but creating a new field of science, Freud also contributed to entire industries. One of the first to try to analyze dreams, Freud s work has led patients in search of psychological explanations for various physical and mental symptoms and phenomena. And as a practitioner for many years, Freud wrote voluminously about his theories during the early 20th century. As a result, he remains one of the most influential and famous thinkers and psychologists of the 20th century Freud s Three Contributions to the Theory of Sex contain...
