Reviews

A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.

LIFE S A GARDEN TOO!

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Collection of poems about gardens, countryside and life. Gloria the Gorgeous. Gloria the Gorgeous is a favourite phrase of mine, I use it when I talk to plants, as they like a bit of rhyme. It s not that we like Latin, or know just what it means, It s a little idiosyncrasy meaning all s not what it seems. It started with the foxglove one warm and muggy night, As I staggered through the garden, towards the kitchen light, I d cursed on falling over, and fell and hurt my head. I awoke to a conversation, and this is what they said, The sot has fallen over, he s drunk and off his head, If he falls on us we ve had it, I hope the bugger s dead. I listened very carefully, just to get it right And I heard one tell another that I had called them all a blight The primrose and the daffodil said they never meant really cared It wasn t worth the bother when coming from a nerd. I just could not believe it, plants had another life, I had a talking garden, So crawled in to tell the wife.
