

Enabling Unity of Effort in Homeland Response Operations

By H Steven Blum, Kerry McIntyre

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Balancing authorities and responsibilities within our federal system has been a matter of continuous debate since the earliest days of the republic. Its continued relevance is exemplified in our current national conversation over how to most effectively organize and operate for homeland security and defense. Crises and catastrophic events in our homeland require Americans from different organizations, jurisdictions, and functions to work together. Yet despite considerable national effort and resources devoted to developing and improving our collective response capabilities, effectiveness in working together-unity of effort-still seems to elude us. Achieving unity of effort is the central challenge to effective homeland response operations. No single organization, function, or stakeholder has all the necessary tools to respond completely to the wide range of crises that routinely occur, or could occur, in our homeland. Combining the assets, capabilities, expertise, and resources of multiple participants has proven to be exceedingly complex and difficult. Our homeland response capabilities are considerable, but they are dispersed across a patchwork of jurisdictions and functions. The challenge in homeland response operations is neither inadequate resources nor lack...
